Our Passion

Founded in Calgary in 1998 and thanks to an international friendship Ciao Tours began with a simple mission to share the authentic beauty and culture of Italy through personalized, tailor-made journeys. Over two decades of dedication and thousands of happy clients later, our passion for authentic European experiences led us to expand beyond Italy's borders. Every itinerary is created by a Certified Travel Advisor who combines professional training with genuine passion for Europe. Our tour designers know each destination personally and craft journeys that balance authenticity, comfort, and style. With their expertise and attention to

detail, every Ciao Tours experience becomes seamless, personalized, and unforgettable.

During every journey, our Tour Assistants provide the personal care and constant support that make Ciao Tours truly unique. They stay in touch with travelers throughout their trip — confirming services, assisting with changes, and ensuring everything runs smoothly. With warmth, professionalism, and genuine attention, they turn great trips into effortless experiences and make every traveler feel completely cared for.

At Ciao Tours we don't sell pre-packaged tours; we craft personalized experiences that capture the spirit of each destination. Our approach is rooted in authentic connection working directly with local partners & guides who share our passion for hospitality. Whether it's savoring regional wines in Tuscany, sailing between Greek islands, discovering hidden villages in Spain, or exploring the markets of Lisbon and the romance of Paris, each Ciao Tours itinerary reflects our belief that travel should be immersive, seamless, and deeply personal.

To promote our destinations, we focus on storytelling by using expert and licensed guides showcasing the culture, cuisine and character of each place through meaningful details and firsthand experiences. Our clients don't just see Europe; they feel it.

Ciao Tours has expanded beyond Italy to include the sun-soaked islands of Greece, the vibrant energy of Spain, the timeless charm of Portugal, and the art and romance of France. As we continue to grow, Ciao is proud to position itself as a Mediterranean expert — with more inspiring destinations on the horizon. Each new country reflects our enduring commitment to quality, authentic local partnerships, and the joy of creating unforgettable memories one journey at a time.

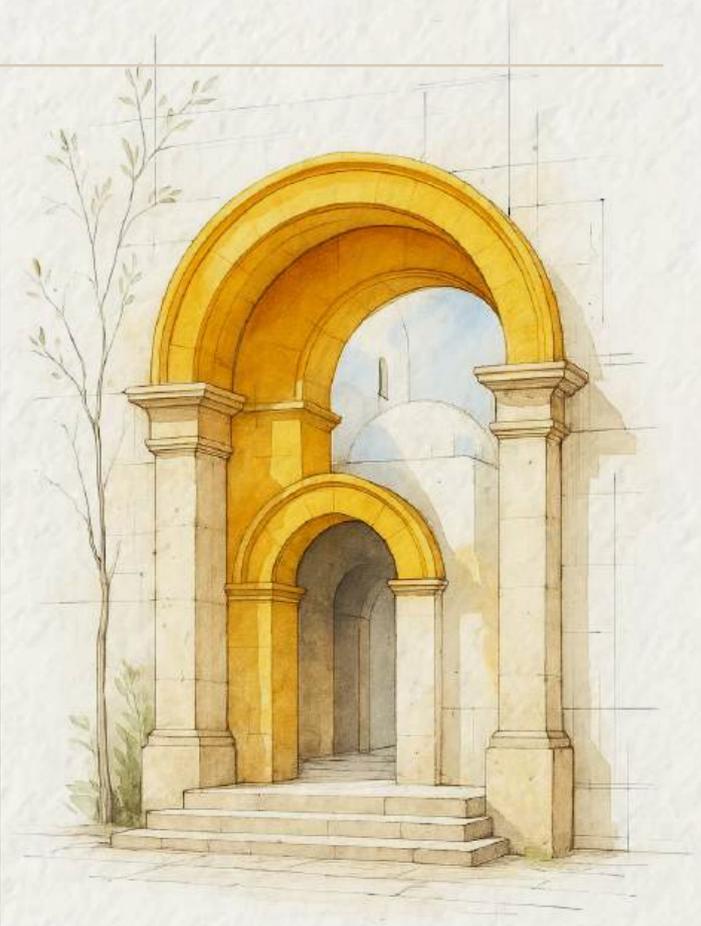

ITALY

Live the Art of La Dolce Vita

From the rolling vineyards of Tuscany to the romantic canals of Venice and the timeless ruins of Rome, Italy is where Ciao Tours began.

We know its heart and rhythm — the art, the cuisine, and the joy of la dolce vita. Our connections with boutique hotels, private guides, and local families open doors to experiences most travelers only dream of.

Whether you're exploring the Amalfi Coast by private driver, cooking with a nonna in Puglia, or uncovering hidden corners of Florence, every detail is thoughtfully designed. With over 25 years of expertise, our Italian itineraries embody the essence of authentic travel — beauty, flavor, and emotion woven together seamlessly.

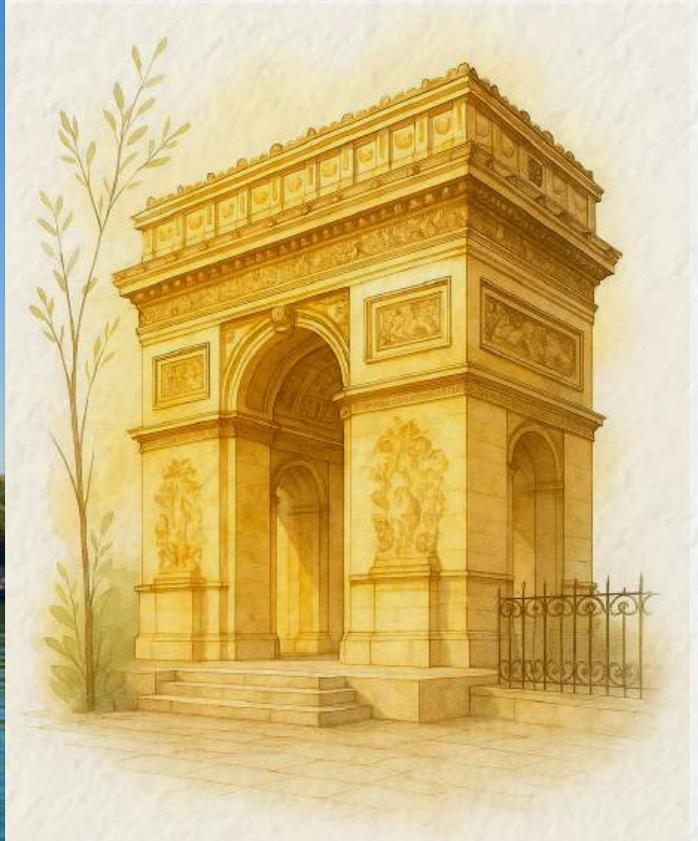

France

Celebrate the Elegance of Every Moment

France is where art, romance, and refinement come together effortlessly. From the grandeur of Paris to the lavender fields of Provence and the châteaux of the Loire, Ciao Tours designs journeys that celebrate French elegance in every form.

Whether you're tasting Champagne at its source, strolling through Montmartre with a local guide, or savoring sunset in the Riviera, our French itineraries blend culture and comfort with unmistakable sophistication. With our trusted local partners, France becomes more than a destination — it becomes your most beautiful memory.

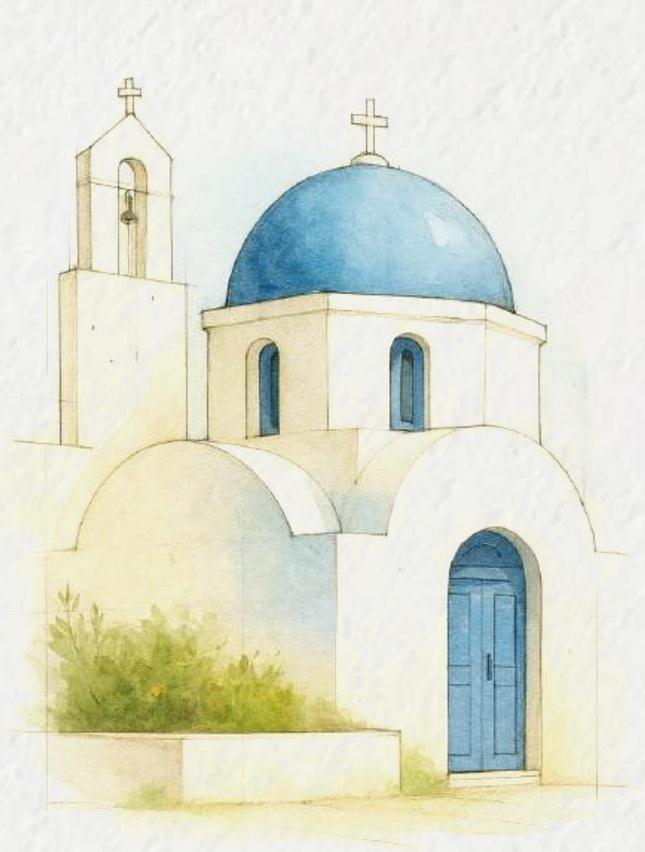

Greece

Where Myth Meets the Sea

Greece invites travelers into a world of myth, light, and sea — where ancient history meets island serenity. From the sacred majesty of the Acropolis to the dazzling blue domes of Santorini, our itineraries capture the balance between discovery and relaxation.

Ciao Tours partners with local experts who bring Greece's stories to life — archaeologists, winemakers, and island hosts who share their homeland with warmth and pride. Whether it's a private yacht between islands or a quiet dinner by the Aegean, your journey through Greece is always personal, meaningful, and unforgettable.

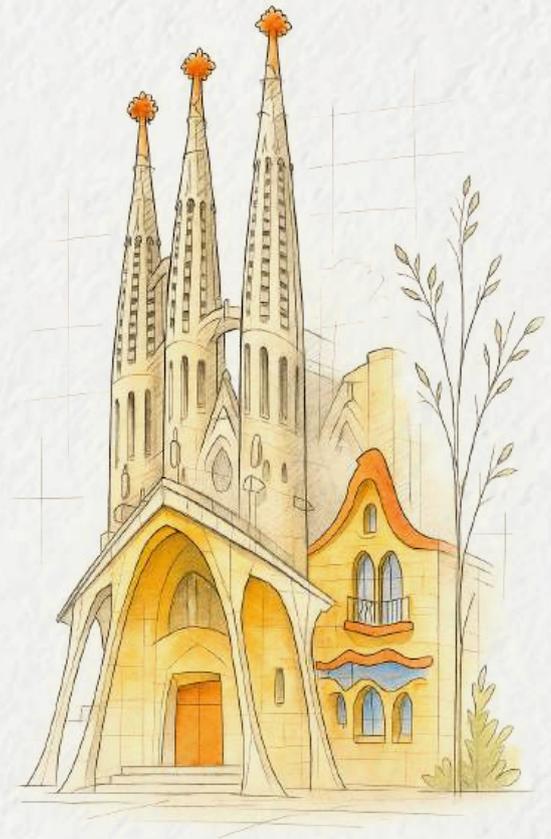

Spain

Feel the Rhythm of Life

Vibrant, soulful, and endlessly creative — Spain is a destination that awakens every sense. Wander through Barcelona’s modernist wonders, feel the pulse of flamenco in Seville, or taste tapas in hidden Madrid taverns. Each region reveals a new rhythm, and our itineraries bring you close to its people, flavors, and festivals.

Our tours celebrate both Spain's icons and its intimate moments — a private art walk in the Prado, a vineyard visit in La Rioja, or sunset views from a Balearic terrace. With Ciao Tours, Spain becomes not just a destination, but a feeling of color, passion, and joy that lingers long after you return home.

Portugal

Savor the Soul of the Atlantic.

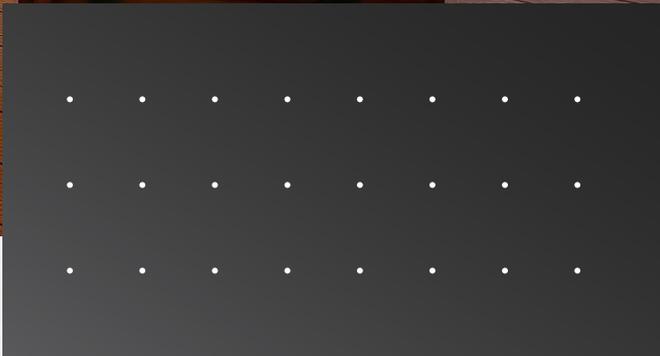

Portugal charms with its coastal light, soulful traditions, and heartfelt hospitality. From Lisbon's elegant hills to Porto's riverside cellars and the golden shores of the Algarve, each stop reveals a country rich in character and warmth.

Our tours highlight Portugal's quiet elegance — guided food tastings in Alfama, scenic drives through the Douro Valley, and peaceful stays in restored manor houses. Through every curated experience, Ciao Tours brings you into the rhythm of local life — where every glass of wine, every song of fado, and every smile tells a story.

Luxury, the Ciao Tours Way

At Ciao Tours, luxury is not defined by excess — it's defined by exclusivity, comfort, and authenticity. Each luxury request begins with a personal consultation to understand what truly matters to our traveler — privacy, personalization, or once-in-a-lifetime experiences. We collaborate with a network of elite European partners, from boutique five-star hotels to private chauffeurs and expert local guides, ensuring that every element exceeds expectation.

Whether it's a sunset yacht charter in the Aegean, a Michelin-star dinner in Florence, or a private wine tasting in Bordeaux, every detail is seamless and discreetly arranged. Our team manages every request with precision and empathy, balancing indulgence with cultural depth. The result is an experience that feels effortless, elegant, and uniquely yours — a journey where luxury means feeling perfectly taken care of.
